## **Provident Credit Union Rated 5-Stars for 32 Years**

**Redwood City, California - March 2025:** Provident Credit Union, Redwood City, CA proudly acknowledges that it has, once again, received a **5-Star Superior** rating from **BauerFinancial, the Nation's Premier Credit Union and Bank Rating Firm**. A 5-Star Superior rating indicates that Provident Credit Union is one of the strongest credit unions in the nation, excelling in areas of capital, loan quality, profitability and more. This marks the 125th consecutive quarter that Provident Credit Union has earned this top rating, which secures it an even more elite status as a **"Best of Bauer Credit Union"**, an honor reserved solely for institutions that have maintained a 5-Star rating for 25 years or longer.

"A lot of things are changing", reflects Karen L. Dorway, president of BauerFinancial. "Rules and regulations are being retooled, technology is advancing at lightning speed, and it's easy to feel like you're getting lost in the fray," she continues. "People don't want to feel like that where they bank, and they don't have to. When they walk into their credit union, they want to feel confident that their deposits are safe, that all rules are being followed, and that their financial institution understands their specific needs. That's why it's so important to have 5-Star rated (Superior) institutions, like Provident Credit Union, that are integral to our communities. As a member of a 5-Star credit union, we can be confident that they have our hard-earned deposits properly secured."

Provident Credit Union was established in 1950 and has been meeting the needs of its members for 75 years. You can be proud to call Provident Credit Union your credit union.
