***Best of Bauer* Provident Credit Union** People Helping People

Redwood City, CA - March 2022: Provident Credit Union, Redwood City, California has once again earned a **top (5-Star) rating** from **BauerFinancial, Inc., the Nation's Premier Credit Union and Bank Rating Firm**. Banking on its membership while its members bank with it, has been a winning combination for Provident Credit Union. Working together towards common goals and interests has allowed Provident Credit Union to continuously earn this top rating for 113 quarters.

To earn this top rating, Provident Credit Union excelled under an in-depth, independent analysis of its financial condition, and it has since June 1994. That gives Provident Credit Union an added distinction of **"Best of Bauer Credit Union"**, a privilege that only credit unions with a minimum of 100 consecutive 5-Star ratings can claim.

"Everything is easier when you love what you do and take a personal interest in the people you do it for. That is clearly the case with Provident Credit Union," commends Karen Dorway, president of BauerFinancial. "They take the credit union philosophy of 'people helping people' to heart. Doing so has come back around and made the credit union an overall success."

Currently the 20th largest credit union in California, Provident Credit Union was established in 1950 to serve the California Teachers Association. Headquartered in the San Francisco Bay Area, Provident Credit Union now serves 132,000 members from over 1,200 employer groups and maintains branches throughout California. With over \$3.5 billion in assets, Provident has earned a reputation for absolute safety and soundness. Whether at a branch, on your phone or online at providentcu.org, 5-Star rated Provident Credit Union is ready, willing and able to serve.
